### *Understand History*

OUDC teaches students the historical connection between Blacks and Jews as well as current issues plaguing society.

### *Live History*

6 months of intense learning will plant seeds to live history. Students take historic journeys to the Deep South in the Summer and New York City in the Fall to meet foot soldiers.

### *Make History*

Community Service projects and skill building workshops are offered to students in the final phase of the program. Skills are used to facilitate conversations around race, unconscious bias, and equity.
